**TERMS & CONDITIONS OF SALE**

The products supplied by Boron Molecular are for laboratory and research purposes only and the purchaser acknowledges that these products may not have been tested for toxicity or other hazards and are not for use in humans, animals or as drugs. The purchaser further acknowledges that it is solely responsible for ensuring that the products are handled in an appropriate manner by suitably qualified staff/personnel and that as purchaser it will take all necessary safety precautions and comply with all local, state and federal laws and regulations governing the handling of these products.

To the full extent permitted by law, Boron Molecular makes no representations or warranties as to the suitability of the products for particular applications and the purchaser must make its own enquiries as to suitability or otherwise of the Boron Molecular products to the purchaser's specific requirements. Boron Molecular's liability in relation to the products is limited, at Boron Molecular's option, to a refund of the price paid or the replacement of the products. Boron Molecular will not be liable for any loss, damage or penalty resulting from a delay or failure to manufacture or deliver the products. The purchaser further acknowledges that it will be responsible for payment of all taxes, duties, excise, custom, inspection and testing fees and any other charge imposed by government authority.

Customers are advised to obtain their own scientific advice in relation to the products provided by Boron Molecular. To the full extent permitted by law, Boron Molecular will not be liable in relation to any loss or damage incurred by use of or reliance on any of the information contained herein. No term or condition contained in the purchaser's order may add to, amend or delete any of these terms and conditions. These terms and conditions are governed by the laws of the State of Victoria, Australia. The terms and conditions are subject to variation.
